## IV.

As a result of the collision, Tracy Surritte will suffer with her injuries in the future, will suffer pain of body and mind, will be physically impaired, and will be disfigured.

## V.

Tracy Surritte was entitled to underinsured motorist coverage benefits under State Farm's policy number 127435636B, which provided underinsured motorist coverage benefits of up to \$100,000.00 per person, because she was a relative of Pat Surritte and resided with Pat Surritte, the named insured on said policy, on the date the collision occurred.

## VI.

State Farm has wrongfully and, in bad faith, refused to pay underinsured motorist coverage benefits based upon its failure to properly investigate the facts and the law regarding her status as a resident relative of Pat Surritte's household claiming that Tracy Surritte is not eligible for coverage because she does not meet the definition of a resident relative.

WHEREFORE, Tracy Surritte, demands judgment against the Defendant in an amount in excess of \$10,000.00 and in excess of the amount needed for diversity jurisdiction, together with the costs of this action, interest at the statutory rate, and any and all other relief to which Plaintiff may be entitled.
